DVG CLEANING SOP

FIELD EXECUTION SHEET

Aligned to 5-Stage System | Mandatory Use on Every Job

Version 4.0 | Confidential — Internal Use Only

PLATFORM NOTE: ConnectTeams is the active platform for all job management, clock-ins, clock-outs, reporting, and documentation. All references to system logging within this SOP must be completed using ConnectTeams until further notice. When Eagle IO is launched, this SOP will be updated and all platform references will transition accordingly.

Site Name:		**Date:**	
Crew Lead:		**Crew Size:**	
Job Start Time:		**Job End Time:**	
10-Min Warning Time:		**ConnectTeams Job ID:**	

STAGE 1 — SITE OPENING

- ☐ Access site using correct method (key / fob / code)
- ☐ Secure entry point — no doors propped open
- ☐ All crew present and accounted for
- ☐ Clock-in via ConnectTeams (confirm timestamp on screen)
- ☐ Vehicle parked correctly — not blocking access or signage

- ☐ **VERIFY:** Site secure after entry
- ☐ **VERIFY:** ConnectTeams clock-in timestamp confirmed

CALL OUT: "Site open. Moving to walkthrough." → "Confirmed."

STAGE 2 — WALKTHROUGH

- ☐ Walk ALL areas in job scope
- ☐ Check access to all rooms listed on job sheet
- ☐ Identify and photograph any pre-existing damage
- ☐ Upload all photos to ConnectTeams job record
- ☐ Check consumables — bin liners, paper products, stock levels
- ☐ Review client-specific job notes in ConnectTeams

- ☐ **VERIFY:** All variances logged in ConnectTeams
- ☐ **VERIFY:** No hazards present that would trigger a no-go decision
- ☐ **VERIFY:** All photographs uploaded before proceeding

IF ISSUE FOUND:

Minor	Photograph, log in ConnectTeams, proceed with job
Medium	Log in ConnectTeams, notify supervisor, proceed with remaining areas
Major	**STOP — Contact supervisor immediately. Do not proceed until authorised.**
Safety	**NO-GO — Leave site. Contact supervisor and emergency services if required.**

CALL OUT: "Walkthrough complete. Moving to preparation." → "Confirmed."

STAGE 3 — PREPARATION

- ☐ Bring in all equipment from vehicle
- ☐ Stage equipment in designated area — not in client spaces
- ☐ Check all chemicals — pre-filled, correctly labelled, no leaks
- ☐ Prepare colour-coded cloths — all colours present for job zones
- ☐ Assign roles:

  Dry Lead: _____ Wet Lead: _____
- ☐ Confirm job route — first room identified, back-to-front sequence
- ☐ Set 10-minute warning timer (alarm on phone or watch)

- ☐ **VERIFY:** All crew can state their assigned role and starting area
- ☐ **VERIFY:** Time plan confirmed — target completion time agreed

CALL OUT: "Preparation complete. Commencing service delivery." → "Confirmed. Dry lead ready. Wet lead ready."

STAGE 4 — SERVICE DELIVERY

DRY WORKFLOW (Bins → Dusting → Vacuuming)

DRY: Bins → Dusting → Vacuuming	**WET:** Kitchens → Bathrooms → Glass → Mopping

- ☐ Empty and reline ALL general waste bins
- ☐ Empty and reline ALL recycling bins (do not mix)
- ☐ Wipe bin exteriors where soiled
- ☐ Dust all surfaces top-down — shelving, desks, chair rails, skirting
- ☐ Vacuum all areas in overlapping passes — edges, corners, under desks

- ☐ **VERIFY:** No visible dust or debris at floor level
- ☐ **VERIFY:** All edges and corners completed
- ☐ **VERIFY:** Cables replaced after vacuuming

WET WORKFLOW (Kitchens → Bathrooms → Glass → Mopping)

RED	YELLOW	GREEN	BLUE	WHITE
Toilets	Bath sinks	Kitchen	General	Glass

- ☐ Pre-spray kitchen surfaces — allow dwell time (min 30 sec)
- ☐ Clean kitchens using GREEN cloth — wipe surfaces, sink, appliance exteriors
- ☐ Sanitise toilets using RED cloth — allow dwell time (min 60 sec)
- ☐ Clean bathroom sinks and fixtures using YELLOW cloth
- ☐ Clean all glass and mirrors using WHITE cloth — vertical passes
- ☐ Mop ALL floors last — back-to-front, figure-8 motion
- ☐ Place wet floor signs before mopping — remove when dry

- ☐ **VERIFY:** Glass checked at 45° angle — no streaks visible
- ☐ **VERIFY:** No chemical residue or odour on sanitised surfaces
- ☐ **VERIFY:** Wet floor signs placed during mopping and removed after
- ☐ **VERIFY:** Mop water changed between kitchens and general floors

⏱ 10-MINUTE RULE

When the timer sounds → ALL physical cleaning STOPS immediately.
No exceptions. No extensions. Move directly to Stage 5.

CALL OUT: "Ten-minute mark. All cleaning stops. Moving to final walkthrough." → "Confirmed."

STAGE 5 — FINAL WALKTHROUGH & CLOSE

- ☐ Inspect ALL areas — room-by-room against DVG Excellence Standard
- ☐ Correct ALL defects found during inspection
- ☐ Complete Zone Sign-Off for each area (verbal callout or tick on site map)
- ☐ Remove ALL equipment from site — nothing left behind
- ☐ Return all rooms to original layout — furniture, bins in exact positions
- ☐ Complete Wow Checklist — chairs tucked, items aligned, toilet roll folded
- ☐ Submit ConnectTeams job completion form — all sections signed off
- ☐ Clock-out via ConnectTeams
- ☐ Secure site — all doors, alarms, keys/fobs handled per job instructions

- ☐ **VERIFY:** Every area meets DVG Excellence Standard — no exceptions
- ☐ **VERIFY:** No DVG equipment or materials left anywhere on site
- ☐ **VERIFY:** Site fully secured — all access points checked
- ☐ **VERIFY:** ConnectTeams clock-out timestamp confirmed on screen

CALL OUT: "Site complete and secure." → "Confirmed."

⚠ NON-NEGOTIABLE RULES

- **No stage skipped**
- **No checklist skipped**
- **No cleaning after the 10-minute call**
- **If it's not in ConnectTeams, it didn't happen**
- **If unsafe → STOP and call supervisor immediately**

Follow the system. Do not improvise. Consistency is the standard.
